In addition, a number of changes to the format of the survey have occurred to make participation easier than ever. The survey has been retooled to be mobile responsive, so you will be able to complete the survey from a smartphone or tablet this year. Details of additional changes will be communicated to you closer to the administration window. If you have any questions related to the survey, please contact Coordinator of Public Relations and Special Programs Carrie Sterrs at the Board of Education office at 410-632-5092.
